THE STATE OF SOUTH CAROLINA 2014 ANNUAL SCHOOL REPORT CARD

RATINGS OVER 5-YEAR PERIOD

YEAR	ABSOLUTE RATING	GROWTH RATING
2014	Excellent	Good
2013	Excellent	Excellent
2012	Excellent	Good
2011	Excellent	Excellent
2010	Good	Good

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent - School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good - School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average - School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average - School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk - School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

NOTE: n=number of students on which percentage is calculated; t=number of tests taken.

Definitions of Performance Rating Terms

* Technical Skill Attainment --- The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.

* Graduation Rate --- The percentage of 12th grade career and technology students who graduate in the spring.

* Placement Rate --- The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment.

Report of Director and School Improvement Council

Heyward Career and Technology's motto is: "Heyward—Where Your Future Begins!" Students from seven high schools in Richland County School District One as well as Richland One Middle College have the opportunity to jumpstart their careers in career and technical programs, a school-based enterprise, and a graduation acceleration program. (1) We provide courses in Architecture and Construction; Arts, AV Technology, and Communications; Health Science; Hospitality and Tourism; Human Services; Information Technology; Manufacturing; Marketing, Sales and Service; and Transportation, Distribution and Logistics. (2) Richland One Works (ROW), our school-based enterprise, offers work-based experiences and provides transition services for students throughout the district. (3) The Richland One Excel Academy provides an online environment that allows students to accrue or recover academic credits that lead to on-time graduation.

State and/or national certifications are available in CISCO Networking/Computer Repair, Health Science, Automotive Technology, Barbering, Cosmetology, Culinary Arts, Nail Technology, Pharmacology, Construction, and Welding. Four of our courses are offered for honors credit: CISCO Networking, Computer Repair, Health Science and Sports Medicine. Our Diesel Technology program is one of only four national high school partnerships with NaviStar—the largest manufacturer of diesel engines in the world. In 2014-15, we will offer Entertainment and Media Technology for students who are interested in the television and broadcasting industry.

For the past several years, we have received AYP (Adequate Yearly Progress) as well as the Palmetto Gold/Silver Award. Four teachers are nationally board certified.

Our student organizations are DECA, FCCLA, HOSA and SkillsUSA which provide leadership skills and opportunities for students to compete at the local, state, and national levels.

As we prepare for district accreditation in the fall of 2014, we have received valuable input from various stakeholders. This led to the creation of a school renewal plan designed to improve instruction for all students that attend Heyward Career and Technology Center.

Jane Olsgaard, SIC Chairperson

Sherry Rivers, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Heyward Career and Technology Center has been designated as a:

	Title I Reward for Performance - among the highest performing Title I schools in a given year.
	Title I Reward for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the lowest 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
